JUST FOR FUN

Water Pictures

For this game you will need a plate and a small amount of water.

This is a guess the picture game. Give each person playing a plate and a small amount of water. Have the chosen player draw a picture on the tile with water while the others guess what it is. For younger children add some paint or food colouring to the water. Once the others have guessed they must choose the next artist to draw. Each player can decide their own thing to draw or you can write things on pieces of paper and put them in a container for each player to pull out and draw when it's their turn.

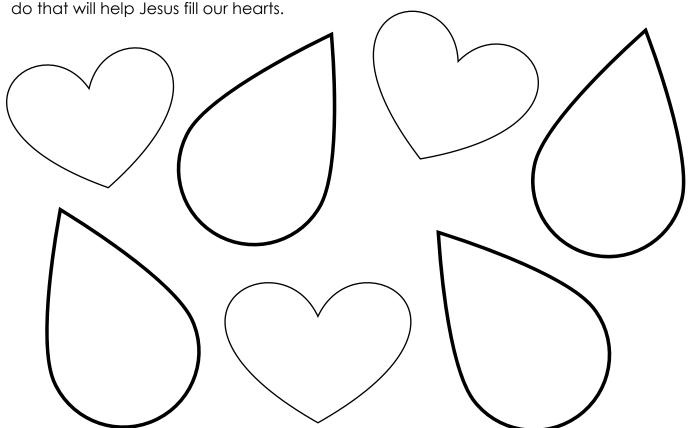

THIRTSY HEARTS

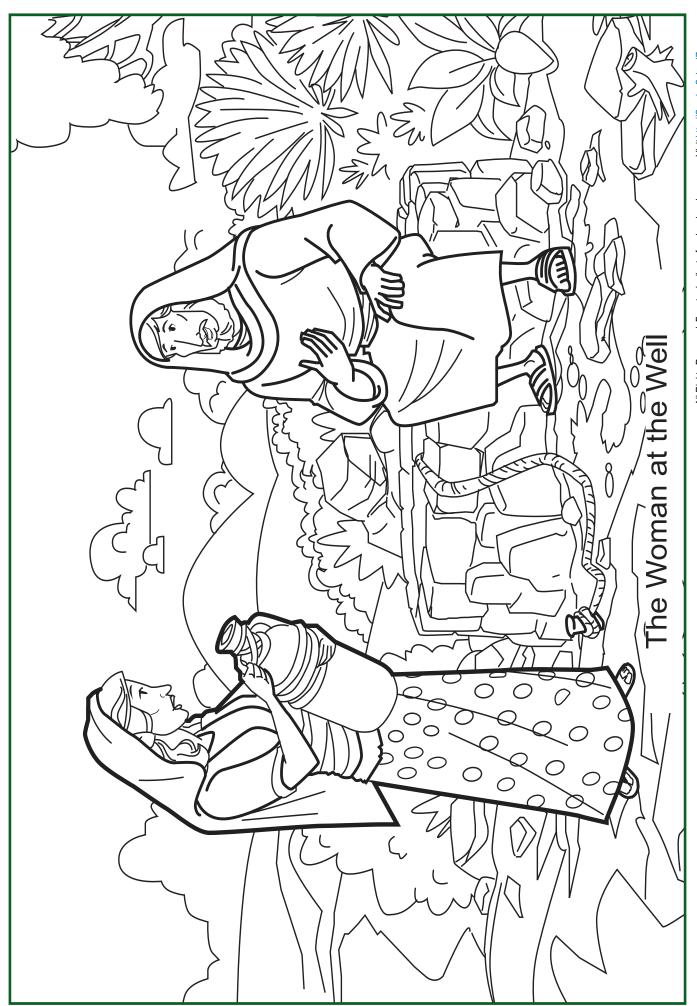

The Samaritan lady in our story today tried to fill her heart with love in all sorts of different ways. But it never worked.

Jesus tells her at the well, that the only thing that will fill her

heart forever is him. Just like this lady, we can try and fill our hearts with things that are empty or don't last. Or things that get in the way of us following Jesus. Some of those things are: trying to be popular all the time, wanting more and more stuff, being greedy etc.

If there is anything you've put in your life that might stop Jesus from coming into your heart – write it on a heart below. In the water drops write or draw things that we can

Prayer Activity

WATER OF LIFE

Need: A large bowl with water and cups

I will pour water onto the thirsty land (Isaiah 44:3)

In the Bible the love and power of God is often described as water. Water can be really refreshing when we are thirsty, and it help things grow. God wants all children to be refreshed by him, and to grow well.

Prayer: Father God, as we pour this water please fill all the children in our home / church / school / community. Please refresh them and give them new life and a new love for you. Amen. [Why not name each child you are praying for]

What to do:

- 1. Take a cup and fill it from the bowl of water.
- 2. Say the prayer above and as you say it, slowly pour the water back into the bowl.

SONG LYRICS

Live Differently (Yancy)

O, O, O x2

We can shine a light
We can be a voice
We can make a difference
And change the world
The greatest of all
Is the one who serves
So, God, we give our lives
To serve You faithfully, yeah

Chorus

We want to be Your hands and feet
We want to live differently
We want to love
We want to give
We want to serve those in need
And be Your hands and feet
We want to live differently, yeah
We want to love
We want to give
We want to serve
We want to live differently O, O, O
We want to live differently O, O, O

Your kingdom come, Your will be done
This is our prayer
We want to serve You, God
We want to serve You, God
Your kingdom come, Your will be done
This is our prayer
We want to serve You, God
We want to serve You, God
We want to serve You, God

(We want to be Your hands and feet ... We want to live differently)

Chorus

We want to live differently
